

Bharatiya Temple of Lansing

A functioning temple since 1994, we serve the religious needs of Hindu and Jain families in Mid-Michigan.

We preserve the Hindu religion, culture, and traditions for future generations.

We welcome visits by members of the public and provide them a rich multicultural experience.

To learn more about us, please visit our website <http://lansingtemple.org> or send e-mail to raman@nscf.msu.edu.

In addition to worship services, we offer free classes on Indian languages, sacred texts & yoga.

We warmly invite every one to visit our temple, no matter whether your interest is to observe, to learn, or to participate.
